SUPPLIER: Packcentre POS

FNQ WA SA NT

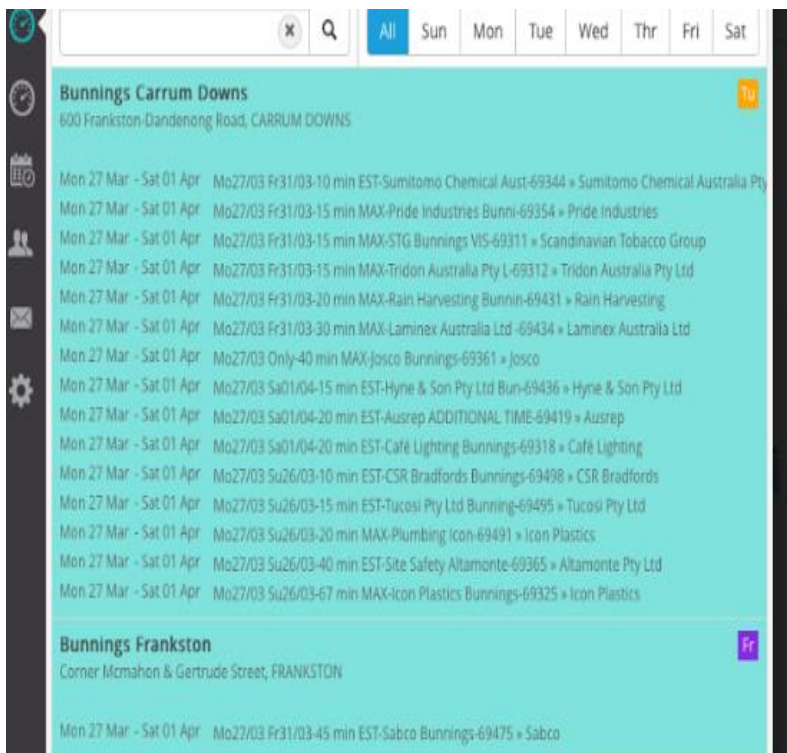

Hi Everyone,

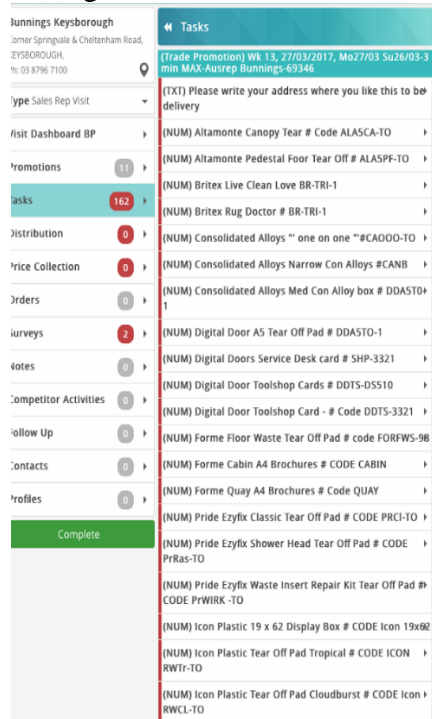

As from next week you can start ordering the POS for all clients in Touch.

TASK

1. When you download your store you will see a client under Packcentre this is for the Point Of Sale (POS)

- This will be loaded to only one of your store with this you will have to make a list of what POS you need for all other stores and add it together under one store.

- Please write down the address where you would like be sent (we can't send to PO Office)
- Please add all stores together and fill out as normal what POS you need.
- With the Pack centre this will be sent the stock once a month to your house
- If your store is going under refit please let me know so you don't have to wait the extra month for the next delivery
- The Pack centre will pick and pack this delivery and delivery within 2 weeks.

Any problems ring me
 Sandra Black
 0402 065 297
